Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Alford Youth & Community Center Wellness Wraparound Pilot Program in Fiscal Year 2023. The entity to receive funding for this project is:

Alford Youth & Community Center
126 North St
Waterville, ME 04901

The funding would be used to support a Wellness Wraparound Pilot Program that would provide targeted support services to children and families in need. These services would include case management, on-site behavioral health services through a partnership with a community hospital, nutritional training, and unlimited access to wellness facilities and classes.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Chellie", with a long horizontal flourish extending to the right.
