March 19, 2026

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Camden Public Safety Building in fiscal year 2027. The entity to receive funding for this project is the town of Camden, located at:

Town of Camden
29 Elm Street
P.O. Box 1207
Camden, Maine 04843

The funding would be used to make improvements and renovations to the existing Camden Public Safety Building. This project will support around-the-clock fire department and regional emergency management service (EMS) staffing by providing code compliant accommodations, facilities, and operational space. This design element will improve occupational safety for employees providing fire and emergency medical services. The project will directly benefit the residents of the towns of Camden, Hope and Lincolnville, and ensure that the regional EMS system remains reliable, well-staffed, and capable of meeting the growing service demands of all three towns.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chellie Pingree', with a long horizontal flourish extending to the right.
