Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Isle au Haut Town Road paving project in fiscal year 2027. The entity to receive funding for this project is the town of Isle au Haut, located at:

416 Main Road
Isle au Haut, Maine 04645

The funding would be used to support paving of portions of Town Road, the only municipal road on the island. The project is an appropriate use of taxpayer funds because the 5.5-mile long asphalt road was last paved over 30 years ago and currently shows the impacts of winter weather and vehicular use. The project would halt the continued degradation of Town Road. It would also ensure safe transport and island access for residents, visitors, national park service operations, and emergency response.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chellie Pingree', with a long horizontal line extending to the right.
