Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pownal Fire and Rescue Station project in fiscal year 2027. The entity to receive funding for this project is Town of Pownal, located at:

429 Hallowell Road
Pownal, ME 04069

The funding would be used to construct a combined Fire & Rescue Station and Public Works facility on town-owned land. The project is an appropriate use of taxpayer funds because it will replace inadequate, code-deficient, undersized facilities, consolidate operations, and improve emergency response and public works capacity.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chellie Pingree', with a long horizontal flourish extending to the right.
