Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Bay Bridge Water Access Project in fiscal year 2024. The entity to receive funding for this project is the Town of Brunswick, located at:

Town of Brunswick
85 Union Street
Brunswick, Maine 04011

The funding would be used to install an 11,100-foot water line to the mobile home park and surrounding neighborhoods to bring a reliable drinking water supply to hundreds of vulnerable Brunswick residents who live in Bay Bridge Estates. The project is an appropriate use of taxpayer funds because the extension of the public water system to the Bay Bridge community will help meet and maintain Safe Drinking Water Act standards by bringing safe, reliable drinking water to an underserved area in Brunswick.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chellie Pingree".
