Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Harry E. Davis Partnership for Children's Oral Health's statewide Virtual Dental Homes project in fiscal year 2022. The entity to receive funding for this project is:

Harry E. Davis Partnership for Children's Oral Health  
P.O. Box 11  
Yarmouth, ME 04906

This funding would launch a network of Virtual Dental Homes, a community-based oral health care delivery system in which children become established patients with a dental practice but receive their preventive care and early intervention in school and primary care settings without having to travel to the dental office for appointments unless they need more complex treatment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chellie R." followed by a long horizontal flourish.
