Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Knox Clinic Expansion in Fiscal Year 2023. The entity to receive funding for this project is:

Mid-Coast Health Net Inc. dba Knox Clinic  
22 White Street  
Rockland, ME 04841

This funding would be used to establish a Federally Qualified Health Center that would provide much-needed primary care, dental care, and mental health care to the citizens of midcoast Maine. Funding would support renovations of an existing space and construction of new medical and dental offices.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Chellie", with a long horizontal flourish extending to the right.
