Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Milestone Recovery's substance use treatment services in Portland, ME in fiscal year 2022. The entity to receive funding for this project is:

Milestone Recovery  
65 India Street  
Portland, Maine 04101

This funding will support Milestone's substance use services, including the expansion of its inpatient medical detoxification program and the establishment of an Intensive Outpatient Program (IOP). Milestone operates the only detox program in Maine's First District that admits clients who are uninsured or underinsured, and must often turn away dozens of clients a day. The IOP would further help to serve clients who are unable to access detox and provide long-term recovery support care for those who need it after completing detox.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chellie R." followed by a long horizontal flourish.
