Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Southern Maine Community College's mobile welding lab project in fiscal year 2022. The entity to receive funding for this project is:

Southern Maine Community College
2 Fort Road
South Portland, ME 04106

The funding would be used to help Southern Maine Community College to purchase a mobile welding training lab that could be shared across the Maine Community College System, which will increase the efficacy and accelerate the acquisition of welding skills for Maine's advanced manufacturing workforce.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chellie".
