Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for St. George MSU Career and Technical Education Center in fiscal year 2024. The entity to receive funding for this project is St. George Municipal School Unit, located at:

PO Box 153
65 Main Street
Saint George, ME 04860

The funding would be used to construct a career and technical education center at St. George Municipal School. The project is an appropriate use of taxpayer funds because it will address critical labor shortages and fuel economic growth in Maine.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Chellie R".
